

The 4 Types

(and their Expected Resultant Demeanors)

#	Free Will Status	Salvation Status
1	YES	Optional
2	NO	Optional
3	YES	Not Optional
4	NO	Not Optional

#1: Corybantic behavior expected – not only strangers but loved ones have an excellent opportunity to either be annihilated or roast in the fires of hell.

#2: Hopeful (happy for me if not for thee) – if you're lucky enough to be a "chosen one".

#3: Positive and serene but action-oriented – glad to see to others believe, if at all possible, but confident all will be eventually saved.

#4: Total acceptance of what is, what has been and what will be – absolutely no reason to get upset about anything (unless you were pre-programmed to do so).
